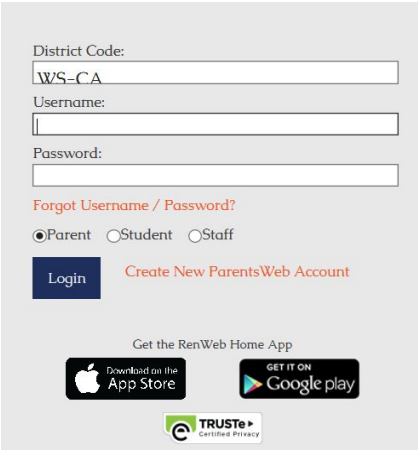
Creating a ParentsWeb Account and Log-in

All new and current parents/guardians need a ParentsWeb log-in.

ParentsWeb is a secure portal that allows parents/guardians to view important information specific to their child(ren) while keeping their child(ren)'s information private. Parents can view their child(ren)'s attendance, report cards, account information, as well as other useful school information such as family rosters.

Set up a ParentsWeb Account



- Go to the Westerly School website www.westerlyschool.org
- Select **ParentsWeb** located on the top right corner of the home page
- Type in Westerly's District Code: **WS-CA**
- Select **"Create New ParentsWeb Account"**
- Enter your preferred email address
- FACTS/SIS will send an automated email confirmation which will include a link to create your ParentsWeb login.
- Select the "Click to Create your ParentsWeb" login link.
- A web browser displays your Name and RenWeb Person ID.
- Type a User Name and Password, then confirm the password.

ParentsWeb Access with an App (optional)

RenWeb Home provides access to ParentsWeb from a mobile device with the conveniences of an App for an annual subscription of $4.99 per household.

Features include:

- Always stay logged into ParentsWeb
- Get your information quickly
- Communicate easily with other school parents and faculty through your iPhone's integration with the School Directory, allowing you to Tap & Send emails or make phone calls instantly to directory listings as well as make online payments for Wildcat and other charges.

Available in the Apple App Store and Google Play Store. Search "RenWeb Home."
