

## **Parent/Guardian Drivers Policy 2019-20**

On occasion, Westerly parents/guardians drive students to school sponsored events. While you are not acting as an employee of Westerly School, we have established the following policy to ensure the safety of our students. Please keep in mind this process may take up to **two weeks to complete**.

### **Who can drive?**

Any parent/guardian can volunteer to drive if they meet the following criteria:

- Provide evidence of auto insurance (see criteria below) *and* meet minimum coverage criteria
- Have a valid California Driver's License and be at least 21 years of age
- Authorize Westerly to review your "Driver Record Information" *and* meet the Westerly School criteria
- Utilize a vehicle that will accommodate a seat belt, car seat, and booster seat for each student as required by California law

### **What are you authorizing Westerly to do?**

Your authorization permits Westerly to submit your driver's license information to California DMV and receive your Driver Record Information, including periodic updates whenever there is any action taken against your driving privilege.

### **What does Westerly do with your driving information?**

Westerly will review your Driver Record Information and use the following guidelines to determine your eligibility to drive:

- The number and frequency of any moving violations
- DUI violations (driving under the influence of alcohol or drugs) – based on last occurrence
- Felony convictions involving the use of a motor vehicle

### **Who makes the decision on whether you will be authorized to drive?**

Dr. Lauren Plant, Head of School, and Toni DiNapoli, Business Manager, will review your driver's record and make the determination if you will be able to participate as a parent/guardian driver. Your name will be added to the Authorized Parent/Guardian Drivers list. All information will be confidential and only authorized personnel will have access to your Driver Record Information. Your records will be retained in a secure location regardless of your parent/guardian driver status. You can request a copy of your Driver Record Information from the Business Office in writing. Please allow two weeks for processing.

### **Insurance Verification**

All Parent Drivers must submit evidence of insurance coverage which meets or exceeds the following:

**Minimum Coverage Limit** \$100,000 per person; \$300,000 per occurrence

In the event of an accident, it is understood that the parent/guardian driver's auto coverage will be the primary insured. Any insurance coverage carried by Westerly School may or may not apply to a parent/guardian volunteering to drive students to and from events off campus.
